## 2011/2012 Season Growers Warehousing Agreement

### **Important Grower Guidelines**

This agreement outlines the warehousing conditions. The warehousing agreement is to be filled out prior to your first delivery.

Any grain that has not been transferred to an approved acquirer by midnight on January 31 2012 will incur a monthly storage fee of \$1.40 per tonne GST exclusive per month or part thereof for all cereal grain storage and \$1.50 per tonne GST exclusive per month or part thereof for all oilseed or pulse storage. Grain not transferred by August 31st 2011 and on this date each year after will incur an additional fee of \$10.00/mt GST exclusive as well as the usual monthly charge. A shrink amount of 0.75% on the delivered tonnage may be kept by Moore Bulk Storage if the grain is removed from the site without ownership being transferred to an approved client of Moore Bulk Storage. If the grower removes the grain from Moore Bulk Storage without transferring ownership to an approved client of Moore Bulk Storage an additional fee of \$12.00/Mt shall also apply. **Deliveries into warehouse of 50 metric tonnes or less will incur a minimum fee of \$75.00 + Gst per month if not transferred to an approved acquirer by January 31 2012.**
